THE DESIGN DETAILS

TYC008 dining table

A classic GPM dining table first featured on the iconic M.Y Alfa Nero. The new 2015 version is made to any size and incorporates and built in flush lazy susan. Presented in cool high gloss white and polished 316 steel. With or without deck/floor fixed option.

TYC053 dining chair

This iconic superyacht dining chair has once again reinvented itself to be as fresh today as it was first designed years ago. Subtle new colour combinations and pearlescent finishes breath new life into the TYC053. Shown in a soft silk white and light pastel sage. Unlimited colour options possible.

TYC183T coffee table

Created with open storage or display in mind this made to order at any size coffee tables main feature is the ever changing directional veneers that flow effortlessly around the main body of the table. This level of veneer work and craftsmanship is difficult to execute for exterior use but is perfectly made by Glyn Peter Machin. Inlaid polished 316 detail and trim work compliments the openness and simplicity of a unique piece.

TYC184T round side table

Elegantly matched teak veneered marquetry finished in clear non pigmented polished oil mixed with white satin glass to create a beautiful well proportioned functional open display side table. Made to any size and different materials for exteriors or interiors.

TYC279 butler table

Standing proudly upright like an awaiting butler this beautifully proportioned serving table is made to any diameter. Interior version can be any material of your choice but is shown in a combination of Macassar Ebony with a full grain high gloss finish, polished steel and crystal glass. Exterior version has 316 polished steel, tempered safety glass and oiled teak.

TYC280 the scripture cabinet

Specially dyed and coloured monochrome ripple sycamore, black lacquer and polished steel exterior. Rich blue ripple sycamore, solid macassar ebony, silver, ivory ceramic and mirrored interior. Full custom interiors possible.

Large format his and hers bespoke piece with polished silver laid flush into solid ebony. Interior features removable display cases made from solid ebony trimmed in leather. Custom boxes possible.

TYC282 folding bar chair

Inspired from the iconic patent protected TYC001R director chair with inner steel frame clad in polished oil teak.

TYC283 deck fixed umbrella

Specially developed for superyacht exterior environments. 316 steel inner framework covered with options of formed teak, carbon fibre or superyacht painted colours. Built in combined carbon and steel thread winch system. Patent protected polished 316 steel fittings and pivot mechanisms connect over scaled superior strength components. Made to order with custom fabric canopies.

TYC284 dining table

A stunning cocktail glass shaped dining table made to custom sizes. Designed to incorporate as much detail under the table as above so the visual experience can begin when walking up stairways from deck to deck on a superyacht. The base features steeply fanned teak veneers, angle form polished 316 steel, solid oiled ebony, high gloss white pedestal and deck attachment cover plates. The top features sunburst teak veneers, inlaid 316 polished steel, solid ebony and a built in flush lazy susan turntable. The rotating turntable has pierced 316 steel fretwork inlaid with oiled ebony.

Sports car inspired split detail luxury leather upholstery with Glyn Peter Machin designed quilted pattern. Custom upholstery patterns, different woods and finishes as well as interior use versions possible.

TYC290 rectangular cocktail table

Geometric mosaic patterned marquetry top and lower shelf in high gloss varnished Macassar ebony, polished steel trim and inlaid glass. White tips form the table legs. All materials are seamlessly combined without any visibly connection. Glass is specially developed to be inlaid flush without supports in order to create a stunning effect of self floating.

TYC291 circular cocktail table

Geometric mosaic patterned marquetry top and lower shelf in oiled teak, polished steel trims and inlaid glass. White tips form the table legs. All materials are seamlessly combined without any visibly connection. Glass is specially developed to be inlaid flush without supports in order to create a stunning effect of self floating.

TYC292 circular side tables

Oiled walnut veneers, polished steel, glass and stitched leather combine effortlessly and perfectly to produce a stunning example of craftsmanship.

TYC293 lounge chair for interiors (and exteriors)

Considered by many at the 2014 monaco show to be the finest example of form and function seen in a long time. This 360 degree swivel chair brings together formed veneers, single piece multi curved steel and luxury leathers seamlessly. Not one single point of assembly can be seen. Custom made to any size with a selection of interior or exterior materials and finishes possible.

TYC294 sofa for exteriors (and interiors)

The perfect partner for the TYC293 lounge chair is the complimentary sofa version presented in the exterior use form. Made exactly like the lounge chair the sofa comprises of a curve formed teak and single piece multi curved steel. Upholstery for the sofa is featured in a silk fabric. Custom made to any size with a selection of interior or exterior materials and finishes possible.

TYC295 circular lounge chair

Opposite direction press formed teak veneers merge together with an amazing S shaped detail. The levels of difficulty to produce such a seamless joint are increased with the detail being laid on a sharp curve. High gloss white superyacht finishes trim the top and base. Fully upholstered in turquoise fabrics. Custom sizes materials and finishes possible as well as interior versions.

TYC296 lounge chair

A formed teak body with vertical graining sits perfectly into a single piece solid bar 316 polished steel frame. Hand sculptured one at a time the steel wraps around the chair back and travels downwards to create an elevated framework floating the upholstered seat and inner back from the ground. The seamless framework is softened by creating an incredible detail of inlaying teak flush with the steel. Custom sizes, materials as well as interior versions possible.

TYC301-B/R coffee - dining table

A uniquely modern design with and equally unique function. A custom developed electrical mechanism for full exterior use elevates the coffee table into a dining table. Clean boxy lines in high gloss white and polished steel merge with soft rolling top edges and a stunning coral fretwork cut form a single piece of polished 316 steel. Coral inspiration created by Bannenberg & Rowell.

TYC302 extending dining table

A table of epic proportions measuring some 4.0mtrs when fully extended this is the ultimate superyacht dining table featuring 2 rotating surface mounted lazy susans. Designed and developed by Glyn Peter Machin for a Laura Sessa project. This magnificent masculine table combines different finishes, oiled teak, inlaid paran, black high gloss and polished steel. Equally as much detail in the base as the top. Made to any size or material combination.

TYC303 coffee table

Amazing detailing surrounding this sophisticated coffee table. A single piece of seamless polished 316 steel borders every outer edge to gently divide the edge banded polished oil teak from the full superyacht application high gloss black finish. Yet another perfect example of GPM's ability to mix 2 contrasting and 2 completely different finishes on one product. Any size and any colour combination possible.

the marianne - ladies jewellery box

A stunning and richly made jewellery box designed for equally rich jewellery and decorative accessories. Each piece is made to order with the recipients name delicately inscribed into the inner frame. Presented in deep blue and sky blue ripple sycamore trimmed in ebony with mirror, polished nickel fixtures and silver leaf. Other designs and colour combinations available. Made exclusively for Mrs Marianne Markussen.

the jeweller

Interlocking elliptical rings achieved by combining stunningly rich deep blue and contrasting pale blue ripple sycamore veneers hand dyed to achieve full even colours. Each piece of veneer is bordered by ebony stringing and finished in a satin gloss clear lacquer. Angled edge upper and lower framework finished in polished nickel, custom inner trays, bevel edged inner mirror and a personally monogrammed inner ebony edge banded border.

the cigarro

Precision cut and inlaid black ripple sycamore frames, precise cut gold leaf protected by a high gloss clear lacquer. The masculine classic geometric box grid work detail folds effortlessly around this large box separated by polished nickel angled edges. The custom layout interior is formatted as a humidor creating the perfect resting place for a gentleman's favourite after dinner delight.

the watchmaker

Mesmerising origami inspired marquetry in multiple shades of blacks and blues. These rich and vivid complimentary tones are accented by gold leaf pyramids. This stunning marquetry detail is framed top and bottom by polished nickel and sealed with high gloss clear lacquer. The inside of this exquisite quintessential box is custom detailed for a watch collector featuring winding units and safe compartments for time piece accessories.

the poet

An explosion of warm contrasting colours in the theme of traditional Japanese inspired umbrellas provides beautiful scenery to this amazing and incredible example of master craftsmanship. Each three dimensional canopy is finely detailed to a delicate point. Such beauty can only be achieved by embarking on a road of creativity which is why this piece has a custom interior dedicated those who's creativity is formed by words. Trays and compartments for letters, envelopes and writing instruments complete. The perfect box for a writer, author, poet or anyone who loves the hand written form of a letter. Hand dyed veneers with a high gloss finish framed with polished nickel.
